Dear Merchant and Community Member,

The **Chaparral Patrons of the Performing Arts** is a 501(c)3 non-profit organization that supports all the areas of the state and national award-winning Chaparral High School's Performing Arts Department. This year our major fundraising event is a silent auction on Saturday, November 10, 2018, and we are asking for your support.

Would you please consider donating a gift card, certificate, basket, or other auction item for the silent auction? Your tax-deductible donation to this silent auction event will do so much to help Chaparral High School's Performing Arts Department. Please know that no donation is too small and that we greatly appreciate your contribution.

All donors for this year's event will be acknowledged on the Patrons website and social media; and on the community partner and donor display in the school's lobby.

The performing arts department includes orchestral and string instrumental music, jazz band, musical theatre, technical theatre, guitar, marching band, and vocal music. All of the funds raised by this organization are used to help improve the Performing Arts Department and to fund financial requests by the department for capital expenditures and needed equipment that might not otherwise be in the budget. This year's fund raising event will help to provide technology in the classrooms, musical instruments and additional LED stage lighting.

Please feel free to email us at galachair@chspatrons.org, or call our Patrons President at 303-257-4305 with any questions. Our website is also available to provide information about the organization and our commitment to Chaparral performing arts.

Thank you in advance for any assistance you can provide and for your thoughtful consideration of our request.

Sincerely,

Bonnie Martelon
